

# ECTS Medicine

sem.	module	week	LVS	ECTS	
1	Introduction/emergency medicine I	2	32	3	
	Musculoskeletal system	6	96	12	
	Cardiovascular system	6	96	12	
	Seminar methods of scientific work I		50	1	
	Seminar health sciences		24	1	
	Exercises on teamwork, reflection, interaction and communication		18	1	
					<b>30</b>
2.	Respiration	4	64	7	
	blood	3	47	6	
	nutrition/digestion/behavior	7	113	13	
	Study fundamentals		28	1	
	Exercises on teamwork, reflection, interaction and communication		21	1	
	Practice day		42	2	
					<b>30</b>
3.	Inflammation/defence	8	132	14	
	Nervous system	6	99	11	
	Seminar foundation of medical thinking and acting		28	2	
	Exercises on teamwork, reflection, interaction and communication		28	1	
	Practice day		36	2	
					<b>30</b>
	4.	Electrolytes/kidney	5	84	9
Skin		4	66	7	
Psyche/experience/behavior		5	82	9	
Seminar foundation of medical thinking and acting			28	2	
Exercises on teamwork, reflection, interaction and communication			28	1	
Practice day			42	2	
					<b>30</b>
5.	Sensory system	6	99	11	
	Hormones/reproductive organs	6	99	11	
	Emergency medicine III	2	41	3	
	Study fundamentals		28	1	
	Exercises on teamwork, reflection, interaction and communication		28	1	
	Practice day		36	2	
	Careers in medicine		24	1	
				<b>30</b>	
6.	Community medicine	5	82	9	
	Biometry	1	16	1	
	Natural sciences internship	8	320	18	
	Seminar methods of scientific work II		28	1	
	Exercises on teamwork, reflection, interaction and communication		12	1	
					<b>30</b>
	7.	Clinical diagnostics and therapy	9	155	20
Occupational medicine		1	25	1	

	Compulsory elective “minor subjects”	4	170	8
	Exercises on teamwork, reflection, interaction and communication		20	1
				<b>30</b>
8.	Gynecology/obstetrics	7	222	14
	Pediatrics	7	213	14
	Seminar foundation of medical thinking and acting Exercises on teamwork, reflection, interaction and communication		28	1
				1
				<b>30</b>
9.	Neurology	4	130	8
	Psychiatry	4	121	8
	Anesthesiology	2	75	4
	Surgery	4	121	8
	Exercises on teamwork, reflection, interaction and communication		24	2
				<b>30</b>
10.	Internal medicine	4	130	8
	Geriatrics	4	121	8
	Emergency medicine III	1	30	2
	Revision course clinical studies			10
	Exercises on teamwork, reflection, interaction and communication		16	1
	Seminar methods of scientific work III		36	1
				<b>30</b>
